### Board Meetings

The Board meets the first Wednesday of every month at 7:00 PM at the Township Hall. Everyone is welcome and encouraged to attend. We discuss local issues and have a public input time so that everyone can be involved. Please attend when you can. We would appreciate your help and input. We also have several committees that you could serve on. If you are interested, please contact any Board member. We are always glad to talk with you.

### Next Year's Elections

All Township offices; Supervisor, Clerk, Treasure and two Trustees will be up for election next year. If you are interested in becoming a Township official you must first file a petition with the Clerk in April. After filing the petition your name will appear on the August primary ballot and the winners will be on the November General election Ballot. By being a Township Leader you can serve your Township, help out your neighbors, and keep Blue Lake Township a great place to live. Contact the Clerk Tracy Nichol for more information.

### Planning Commission

The Planning Commission meets the first Wednesday of the month at 9:00 am at the Township Hall. Contact the Zoning Administrator Blair Shearer (587-5698) for any questions.

### Trash Millage Reduction

At the June 2015 meeting the Township Board decided to reduce the millage for Trash Collection from the voter approved 0.5 mills to 0.4 mills. This is the sixth year that a Trash Tax reduction appears on the Tax Bill you received with this newsletter.

### Drop Box

Don't forget that the Township has a Secure Drop Box located between the office and Hall doors. For your convenience this can be used to drop off any correspondence (Voter Information, Taxes,...) whenever the office is not open.

### Township Hall Available

Did you know the Township Hall is available for your personal use? It requires an application to be completed and a \$50 deposit. If the usage rules are followed and the hall is left in a clean state, the deposit will be refunded. Call the hall at 587-8354 during office hours or visit our web site and look under "Events - Hall Rental" for further information.

### From The Treasurer's Desk

The Treasurer's office will be open on Wednesday, December 23, 2015 and December 30, 2015 for your tax paying convenience. You may hand deliver your check to the hall anytime the hall is open or use the drop box.

February 14 falls on a Sunday this year and Monday is President's Day so all taxes are due by Tuesday, February 16, 2016. Our office will be open on the 16<sup>th</sup>. If you pay after the 16<sup>th</sup> you will incur a 3% penalty.

Monday, February 29, 2016 is the last day I can accept tax payments for Summer and Winter of 2015. Our office will be open on the February 29<sup>th</sup>. Any payments received after February 29, 2016 will be forwarded to the County Treasurer. Once I turn taxes over to the county the tax page on the website will not be updated and delinquent tax information can only be accessed thru the County Treasurer's office, 231-258-3310.

You can check the status of tax payments on line at our township website. Under Departments and Services, select Taxes. On the right hand side of the tax page you will find a paid/ unpaid alphabetical list. The tax info on the website is updated every Wednesday.

### Hall Landscaping

The Clerk, Tracy Nichol, spearheaded the much needed landscaping around the Township Hall. The new sign, flag pole and plantings were completed September 6 and definitely spruce up the area. Also special thanks to Bruce and Sandy Davis for improvements around the mailboxes on Sunset Trail. The hall and mailbox area now look great, thanks to these dedicated people.

### **Trash Pickup**

Residential trash pickup is on Monday by American Waste with a 5 bag limit per household. If a holiday falls on Monday, pickup will be on Tuesday. Please do not put out trash that is not bagged, and if possible use an animal proof receptacle as they just love to play in your trash. If you have additional trash pickup needs or questions, call American Waste at 258-9030. Also the Island Lake Road County Recycle center is open Monday through Thursdays from 8:30 AM – 4:30 PM and Saturday's 8:00 AM – 12:00 PM. Call 258-3369 for further information.

### **Fire Department**

The Fire Department is in need of volunteers, this could be you. If you are looking for a way to give back to the Township, make a little extra spending money, become a trained fire fighter and have interesting times with the Fire Department, they meet at 7:00 PM every Monday at the Fire Barn located on Blue Lake Rd. just north of Blue Lake. They will be glad to show you around and give you details about joining the Department. You can also contact our Fire Chief Bob Barr at 587- 8711.

### **Zoning Dept. Complaint Form**

In order to provide better service the Zoning Department has developed a complaint form. This form available on our web site on the "Zoning and Permits" page and should be used for all complaints about possible violations of our Zoning Ordinance. Once received the Zoning Administrator will investigate and take any action that is required.

### **Zoning Permits**

If you plan on building or making alterations, please check with the Zoning Administrator before you begin. Complying with the Blue Lake Township Zoning Ordinances is required. Blair Shearer, our zoning administrator, can issue zoning permits on Friday or Saturday mornings from 10 AM to Noon at the Blue Lake Township Hall. The complete Zoning ordinance is available on the web site under "Zoning and Permits".

### **Campers and Trailers**

Per our Township Zoning Ordinance Campers and Trailers cannot be stored or left on vacant property. This helps keep vandalism down, improves property values, and prevents that abandoned look. They can be used for vacation or weekends.

Campers can be used on an empty lot for 15 days in a 12-month period without a permit. Upon application to the Township Zoning Administrator, a permit costing \$5.00 will be issued for an additional 30 days. A Camper can be kept on any property that has a dwelling without a permit.

### **Community Sheriff Deputy**

Brian Peacock is our Community Officer and has been providing regular road patrol within the Township. He performs regular road patrol and any other law enforcement service that is required. If you have a concern or an issue you would like to discuss with Brian you can leave a detailed message for Deputy Peacock at the Sheriff's office at 258-8686. Since he works a variety of shifts, it may take a short period of time before he can get back to you. For any emergency always call 911. In an emergency other Sheriff's Department Officers may respond.

### **Broadband Service**

COLI Communications has provided high speed internet access to most of the Township. They have a line of sight system that can be blocked by high trees so COLI has installed repeaters on the many of the lakes so most lake shore residents can receive the signal. If you are interested in High Speed Internet service contact COLI at 888-299-0071, they may be able to connect you to their system. Satellite and Cell Phone based systems may also be available at some locations within the Township.

The Township also maintains a Public Access WiFi system at the Township Hall using the COLI system. If you have a compatible computer or device you can use it in and around the Township Hall to access the Internet.

### **Road Paving**

This summer with the Road Commissions help we graveled several roads and chip sealed West Blue Lake road at a total cost of \$102,382. Next summer we are planning to Chip seal Little Twin Lake Rd., East Bass Lake Rd., and the older portion of Gedman. If you have any road issues to discuss, contact any Board member or the Kalkaska County Road Commission at 258-2242 or their web site [kalkaskaroad.org](http://kalkaskaroad.org), they are very prompt at responding to complaints received on the site.

### **Kalkaska Memorial Health Center News**

Long Term Care will open 2 new "GreenHouses" north of the current LTC location. The "Greenhouse" concept provides a home environment for patients with a large kitchen, dining area and living room surrounded by 10 individual bedrooms. Patients may participate in meal preparation, cleaning and other daily activities just like at home and have a professional staff available 24 hours a day. This new facility should open in January.

If you have any comments or questions about the Hospital, contact your representative Dean McCulloch 587-4836.

### **Land Splits & Divisions**

All land divisions, new lot lines, and lot combinations must comply with Blue Lake Township Ordinances and the State Land Division Act. There are requirements as to road access, the size and shape of the lots, and the number lots that can be created. An application and more information is available on the web site under "Zoning and Permits". An application fee of \$50 and a \$20 per split administration fee is required. Your completed application and fees must be submitted to the Blue Lake Township Land Division Agent, David Grimm. The Land Division Committee (Assessor, Supervisor, and Zoning Administrator) will review your application. The Land Division Agent will approve or deny the application within 30 days. If you have questions about the process please feel free to contact Dave at (231) 331-6370.

### **Large Item Pickup**

You can have 4 large items per year picked up if they have the required sticker. Stickers can be obtained at the Township Hall during business hours. Any household item can be picked up including beds, couches, washers, and refrigerators (must have refrigerant removed properly). Also, if you call American Waste ahead of time, it will expedite pickup. If you have additional trash pick-up needs or questions call American Waste at 258-9030.
